

**You create opportunities when you give!**

**Meet Mario. Mario Cipolla is one of a kind.**

Whether he's belting out a Lizzo song in Cabaret class, becoming the Hulk before our very eyes in our play *Burger Drama*, or the way he connects with every person with whom he interacts, he simply brings out the best in people.

Mario enrolled in the Teen & Young Adult Movie Shorts Program in Fall 2022. He played a ghost in our rendition of *Scooby Doo's Case of the Missing Snax* and has continued to be involved in our drama programs to the delight of his peers and our staff.

In addition to being involved in our in-house and community-partnered drama programs, Mario enrolled in Social Skills classes that teach about life skills centered on positive and healthy relationships.

Mario has an unforgettable smile, an infectious laugh, and a desire to bring everyone along with him.

**Mario's Family**

Dedicated to expanding his opportunities, parents Tony and Bridget are his advocates.

*Through Dreams With Wings, Mario has been able to experience so many things a lot of us take for granted.*

*Dreams With Wings gives Mario his voice through expressing himself through the art when words can't come out clear. Whether it's through dance, art, theater, musicals, making their own movie, or improv comedy skits, Mario gets to express himself and his talents at Dreams in ways he hasn't before.*

*Mario has grown in areas of the arts and drama we never thought were possible. He has developed friendships with his peers and the staff that will last a lifetime.*

**Will you give by December 31, so that Mario and others with intellectual/developmental challenges can continue to grow and prosper in our community?**

Your giving can help people with intellectual/developmental challenges reach their full potential, whether it's through the teen and young adult education program, supported employment, residential services, adult day program, therapies, summer camp, respite or community supports.
