Dreams for the Future

Strengthen and Expand Current Programs-

- Residential
- Supported Employment
- Teen and Young Adult
- Therapy (OT, PT, Speech, and Behavior)
- Expansion of our Day Training program
- Enhance our capacity to sustain a solid foundation for our enduring promise of lifelong services and support
- Ensuring sustainable staffing resources is critical to our mission—recognizing that high-quality care for individuals with IDD begins with the retention and support of dedicated, compassionate personnel
