Annual Report

July 1, 2024 - June 30, 2025

MESSAGE FROM EXECUTIVE DIRECTOR

We are currently working on our Strategic Plan that focuses on both growth and strengthening our current programs over the next five years. We continue to be grateful for the opportunity to be a part of the journey of the individuals we support and their families. Our after school programs and Saturday program for younger children are promoting independence and inclusion that help them experience a greater level of independence into adulthood.

Our Board of Directors has worked diligently to ensure our staff compensation is competitive and we appreciate our DSP's and their heart for those they support.

Caring for those with intellectual and developmental disabilities through residential services, supported employment, adult day programs, summer camp, OT, PT and Speech therapies, art and youth programs remains incredibly important. Together we change lives and connect people with purpose.

OUR MISSION

To empower children and adults with intellectual and developmental disabilities and autism as they enhance their strengths, contribute to their community, and live a lifetime of purpose.

OUR VISION

To be innovative in person-centered supports, enabling individuals to live their best lives by fostering a sense of belonging and value. Our vision is upheld by staff who are unwavering in their compassion for those we are privileged to support.

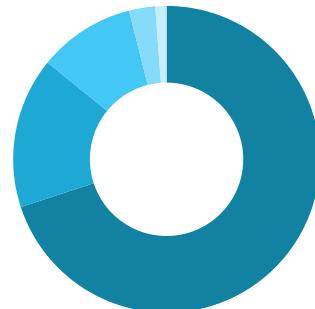

OUR CORE VALUES

Respect - Relationships - Healthy Lifestyles - Self-sufficiency - Making a difference - Compassion - Creativity - Enjoyment

FAMILY SURVEY FEEDBACK

"Summer camp allowed my daughter the opportunity to build friendships & work on social skills, gain new experience in the community, and try her hand at new things like being in the talent show. The day program has similar benefits. She enjoys the outings, and she is continuously learning critical thinking skills and coping strategies to make her way through the world as she navigates situations and days with fellow attendees."

"The Adult Day program has been an amazing experience for Brent. We will be forever grateful and thankful for having Dreams in Brent's life."

The apartment has been wonderful for my son. With support, he's able to live independently, grow in confidence, and feel safe and proud of himself. We are so grateful for this life-changing opportunity."

"My son has gained lifelong friendships, new skills, and a whole lot of joy."
