OUR COMMUNITY CAN BE INCLUSIVE

You can create a fully-inclusive life for those with intellectual and developmental disabilities!

This past year has proven the resiliency of our wonderful staff, volunteers, those we serve and YOU! We understand many have paused their giving due to COVID. Through the challenges of the pandemic, we have had many successes including serving even greater numbers of individuals with intellectual and developmental disabilities and autism.

We simply could not have done so without compassionate donors like you.

Will you support our mission this holiday season, to create **fully-inclusive** lives for those we serve in the Louisville community – people like Shaiquan who joined our Supported Employment Program after graduating from high school, eager to start his new chapter and find a job.

Shaiquan's Story

Shaiquan secured a position at a local drugstore where he stocked shelves and unloaded trucks. After two years in this role, he decided he was ready for a change. Not only did he want to move into a retail position, but he also wanted a raise. Shaiquan knew that he was a dedicated and valuable employee and could earn more.

Working with our Supported Employment Team, he interviewed and was able to find a new job that met his criteria, including the higher hourly rate, at Ross.

“I was proud of Shaiquan for knowing and standing up for what he was worth,” states our Supported Employment Director, Holly Humfleet.

YOUR Role

You can help people reach their full potential – whether it is through supported employment, residential services, summer camp and education programs for children, teens and young adults, therapy programs, and more!

Will you give by December 31, to empower those with disabilities to live their best life?

You can make sure individuals with intellectual and developmental disabilities and autism start 2022 with what they need:

For just **\$25**, you provide gasoline for vans to transport clients to work, play and activities.

For just **\$50**, you provide a specialty instructor (for dance, art, music....)

With **\$100**, you provide job coaching hours at someone's workplace.

With **\$150**, you can sponsor meaningful educational, vocational and social opportunities.

With **\$250**, you give a child a fun-filled week at camp.

Thank you for your compassion and concern for our friends counting on you! Your support of Dreams With Wings will help people accomplish their goals and live their dreams while recognizing their strengths, talents and abilities.

Wishing you a joyful holiday season!

Jenifer Frommeyer
Executive Director
