

## Teen & Young Adult Programming

---

### Dreams With Wings

Our non-profit began serving individuals in 2000 and is located in the Highlands Neighborhood in Louisville, Kentucky. Our mission is to empower children and adults with intellectual disabilities and developmental disabilities, including autism, as they recognize their strengths, contribute to their community and pursue their dreams. We provide an array of services including Residential Housing, Adult Day Program, Supported Employment, Behavior Supports, Occupational/Physical/Speech Therapies, Summer Camps, and Teen & YA Programs.

### Year-Round Teen & YA Programs (September - December 2023, January – June 2024)

#### Overview

Dreams With Wings Year-Round Programs are geared towards individuals aged 13-26 with intellectual disabilities and developmental disabilities, including autism. Our curriculum is designed to use hands-on learning activities across a wide variety of topic areas to promote creative expression, improve physical health, teach life skills, and build relationships with peers. Our sessions are facilitated by professional and educational instructors who have experience working with the teens and young adults that attend our programs. Dreams With Wings staff attend each session as well to support all attendees.

#### Application

We use an application to gather detailed information about any new program participants to ensure we are able to provide the best support possible for each teen to have a great experience. We encourage CLS workers or Behavior Supports to join the sessions if needed and will discuss this arrangement ahead of time.

#### Schedule

Our core programming schedule is available on our website (<https://www.dreamswithwings.org/teenyaeducation>) and is sent weekly to all of our families via an email distribution list. The schedule provides a detailed description of each session's activity, when it is scheduled, and how to RSVP to join a session. Special programming series are sent out in advance via email to provide notification and to register for the sessions.

#### Email Distribution List

Families are added to the email distribution list by contacting Heather Sauer, [hsauer@dreamswithwings.org](mailto:hsauer@dreamswithwings.org), to get an application and to be added to the weekly list.

#### Supplies or Materials

We work with our guest instructors to obtain the list of materials in advance to ensure all participants have what they need for each session.

#### Frequency/Format

Our programming is provided during the week on multiple days, with special programming limited series on Mondays, Tuesdays, and Thursdays along with weekly and more flexible capacity on Wednesdays.

#### Class Sizes

In-person programming spots will be made available on a first come-first served basis for Wednesdays or based upon pre-registration for special programming on Mondays/Tuesdays/Thursdays with any limitations communicated in advance of the sessions.

#### Cost

Our programs are generally private pay and we can accept Respite funds through the Michelle P Waiver with coordination made in advance to be added to the Plan of Care and any additional requirements.

#### Special Programming:

- The cost of special programming is dependent upon the class with pre-registration required to hold a spot and ensure participation in each session. These sessions include our dramatic arts residencies, pre-vocational classes and Social Skills Programs.

## Teen & Young Adult Programming

---

- If Michelle P Waiver Respite funds are used, each family will need to contact Heather Sauer as soon as possible to have the Teen Program added to their Plans of Care (POCs) and Prior Authorizations (PAs) along with any additional coordination to determine how many units are available.

### Core Programming:

- Our cost for core programming is \$20 per event day for in person.
- If Michelle P Waiver Respite funds are used, each family will need to contact Heather Sauer as soon as possible to have the Teen Program added to their Plans of Care (POCs) and Prior Authorizations (PAs) along with any additional coordination to determine how many units are available.

All fees to join the sessions are used to offset the cost of instructor lesson plan development, session facilitation, and program administration costs. We accept private payment for fees using contactless PayPal, check, or cash.

## Program Contact

Heather Sauer, Youth Programs Director, is the primary contact for our Teen & YA Year-Round programming. She can be reached to learn more by phone or email using the contact information below:
