Given your camper's skills and behaviors, what level of supervision does he/she require most of the day? In answering this question, please keep in mind how your camper responds to new situations, new people, transitioning from one activity to another, and other qualities of the camp setting. Please check only one:

- Camper can function totally independently in all or almost all settings with only occasional supervision.
- Camper can function independently for short periods of time and can be supervised in a group with 1 staff and several other campers the rest of the time.
- Camper generally can function in a group with a supervisor and 2-3 other campers. Camper needs one-to-one supervision only during specific activities.
- Camper generally needs one-to-one supervision, but can function in group situations for some activities.
- Camper needs one-to-one supervision throughout the day.
- Camper needs more than one staff with him/her all day or when agitated or upset.

Male/Female Counselor Preference (we cannot guarantee that preference will be given)

Camper will do better with a MALE counselor. (Male campers will have both male and female counselors)
If so, please explain why: _____

Camper will do better with a FEMALE counselor. (All female campers will have female counselors)
If so, please explain why: _____

Camper will do equally well with either a MALE or FEMALE counselor.

In the following sections, please check all statements that describe your camper. Please answer thoroughly, giving examples. Use additional paper if necessary.
